'Executive' White Safety Toe Gumboots

FWG901

Features

- Top quality PVC/nitrile blend sole for comfort and durability
- Ultra high grade virgin PVC upper
- Steel Toe for added safety
- Reinforced shin area to protect against knocks and bumps and painful ankle roll-overs
- Resistant to oils, grease, acids, fats and animal by-products
- Patented Hi-Vis Ankle cap eliminates ankle friction and provides support
- Unique sole design with extra deep lugs and pattern designed to provide excellent grip on rocky, steep, wet, muddy and slippery surfaces.
- Reinforced heel area to protect Achilles Tendon
- Soft flexible upper for hours of tireless wear
- Certified to: AS/NZS 2210.3, EN20345:2007, SABS 1320-1

Recommended Use

- Mining
- Food processing
- Forestry
- Agricultural Industries
